

Invitation to Invest in Making Financial Disciples in Europe

Would you support our ministry projects for 2023-2025?

Project 1: Opening New Compass Nations

We are asking for financial support over three years to enable us to open new nations for our ministry of financial discipleship.

Your investment will help to

1. Open at least four new nations - for example Serbia, Czech, Turkey and Croatia.
2. Recruit, train and mentor local stewardship leaders (discipleship and multiplication approach.)
3. Offer different types of activities: Teasing with promotional activities, teaching in workshops, transforming (in one to one discipling meetings, and coaching) and training (to train them to train others.)
4. Work out a plan with the local people how to get the work sustainable for the long run to prevent dependency.

NEED: € 5,000 per nation for travel and ministry costs

Yes, I would like to donate the following amount.

Project 2: Eastern European Pioneer

Compass has an urgent need to develop Eastern European leadership capacity. To do this we want to appoint an Eastern European Pioneer.

This person will help the currently active leaders in the region to develop financially sustainable local ministries and pioneer new countries from the region to start and develop a healthy financial discipleship ministry.

His/her main activities will be:

1. Build connections with new nations / cities
2. Look for people who will take responsibility to develop a Compass ministry in an area.
3. Recruit and disciple a team of regional leaders.
4. Serve them and their countries with content, coaching, advice, training, ministry models etc to help them develop a locally funded ministry

NEED: € 25,000 per year for salary and travel.
